Where Color Transforms Space into Art.

POSITANO SERIES

Where Color Transforms Space into Art.

Inspired by the sunlit coast of Positano, each tile captures a moment of light and color—soft Milk Beige, gentle Peach, warm Beige, radiant Yellow, serene Greens, deep Wine Red, and calming Greys. Crafted in slender glossy forms, they reflect shifting light like the sea itself. A harmony of warmth, texture, and elegance, the Positano Series brings Mediterranean soul into modern spaces—timeless, refined, and quietly luminous.
